SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Salisbury, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Salisbury for the fiscal year ended December 31, 1971, which was made by Nathan Wechsler & Company in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971: (Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1970 and December 31, 1971, are presented in Exhibit A-1. As indicated therein, the Surplus of the Town decreased \$5,150.85, from \$13,366.49 to \$8,215.64, in 1971. Inasmuch as there were no outstanding long-term notes or bonds, the Balance Sheet Surplus of \$8,215.64 also represented the Current Surplus (excess of total assets over current liabilities) on December 31, 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These are as follows:

Analysis of Change in Financial Condition

Decreases in Surplus:

Net Budget Deficit	\$ 150.85
Surplus Used to Reduce Tax Rate	2,000.00
Surplus Used to Establish Capital Reserve Fund	3,000.00

Net Decrease in Surplus

\$5,150.85

Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), net overexpended appropriations of \$795.20 less a revenue surplus of \$644.35 resulted in a net budget deficit of \$150.85.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Salisbury for their assistance during the course of the audit.

Very truly yours,
Stuart A. Goss
Nathan Wechsler & Company

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Salisbury for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Salisbury at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Lest We Forget — It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most important* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE	463 fires	160 acres
DISTRICT	106 fires	61½ acres
TOWN	1 fires	

DISTRICT CHIEF
Robert J. Burton

FOREST FIRE WARDEN
Lawrence C. Bowne

FIRE DEPARTMENT REPORT

Your Volunteer Fire Department answered ten calls during the past year: four chimney fires, one grass fire, two calls to the Town Dump, one fire in an electric motor, one garage fire and one house fire.

Some new hose was added to our equipment and two fire coats purchased. Again this year, some of the men attended the fire training schools. Due to various strikes our new truck was not delivered on schedule, but it is expected soon.

We wish to express our appreciation to the Ladies Auxiliary of the Fire Department for purchasing more land around the fire station for future use. Also to the Selectmen who helped them with this project. The Auxiliary also served us coffee and food, when needed, at the fires, for which we are grateful.

To report a fire — please use the fire phone number, 8-2200.

Lewis Bartlett
Fire Chief

SALISBURY POLICE DEPT.

Police activities in Salisbury increased 34% over the past year. Police officers worked over 205 hours and traveled 1,645 miles on police business.

In 1971 Salisbury Police Dept. entered a Mutual Aid agreement with the towns of Boscawen and Webster. Assistance may be obtained from these departments if requested by the Salisbury Police.

It is hopeful that we will obtain a four band police radio this coming year. We would convert our present two band radio to four bands, which will give the town two radios with communications with State Police, County Police, and surrounding towns.

We will be informing residents of changes in the telephone numbers of the Police Dept. in the near future.

Respectfully submitted,

James A. Knowlton
Chief of Police

FRIENDS OF THE SALISBURY FREE LIBRARY

The Friends of the Salisbury Free Library have found this to be a very busy and successful year. Work was completed on the Library "Annex Room" and it was used for our "Bread, Beans and Old Book" Sales. Proceeds were as follows: Food — \$62.00, 13 wooden boxes — \$69.00, and approximately 1080 old books — \$108.60. An appeal is being sent out for more old books.

We were glad to be able to contribute \$110.00 to help in the purchase of a new set of Encyclopedia Britannica, Junior Britannica, and Children's Britannica. Also added this year are several volumes of children's books aimed at offering a wider range of recreational and educational material to help meet the needs of the communities children. A greater selection of books is also made available through periodic visits from the Bookmobile from the State Library in Concord.

Work is now in progress on "Betsy Pettingill", an old fashioned doll with complete wardrobe, to be raffled off this spring.

Special thanks to all the Friends who continue to aid us financially and with volunteer hours of work, and to Mrs. Arvilla Fogarty, past librarian and Mrs. Evelyn Nerden, present librarian.

Respectfully submitted,
Geraldine Burgess, Pres.

REPORT OF THE SALISBURY PLANNING BOARD

This past year has again been a very active one for your Planning Board. We welcomed one new member last year, Mr. Paul Fenton. The board was also very lucky to have Mr. Fenton serve as their speaker at the open meetings.

It was decided by the Planning Board in early spring to again propose a Building Code and Zoning Ordinance for Salisbury to be voted on by ballot in March. Many hours of hard work have again been put into these projects, and I would like to thank my fellow board members for their much needed support throughout the year.

I would also like to thank those of you who took the time to attend our two open meetings and especially Mr. William Baker, our past member and chairman, who has put so much time and hard work into our Sub-Division Ordinance, Trailer Park Ordinance, Building Code and Zoning Ordinance. I feel that Salisbury is a much better place to live because of a few people like Bill Baker.

Your Planning Board, more than ever before, needs your support.

Larry W. Young, Sr.
Chairman
Salisbury Planning Board

FRANKLIN VISITING NURSE ASSOCIATION

The Board and staff of the Franklin Visiting Nurse Association has studied the progress of this Association concerning the contractual agreement for home health services for 1971. The demand for service has been regular, and is parallel to our anticipated figures. These figures include direct service as provided by the Salisbury resident nurse plus supportive services from the Agency.

Mrs. Harlean Merkes continued employment to cover the needs of Salisbury as specified in our contractual agreement. During the year, Mrs. Merkes traveled a total of 1,015 miles to serve your residents. In addition to home visits and clinic time, she has shared the administrative duties and inservice programs of the Agency.

Based on our 1970 audited cost per visit as determined by the fiscal intermediary as \$5.96, the value of your home visits only was \$923.80. The cost value of clinic visits; Well-Child Conference participation; supportive agency services; and office services are additional to this total amount. Although the cost of the program of direct home nursing service in Salisbury exceeded the town grant of \$856.82, the balance of this cost and the cost of other services was covered by patient and insurance provider receipts.

Contract 1972

The contract period would cover the year from April 1, 1972 to March 31, 1973. The services covered would be those services as offered by this Agency. Any expansion of health services would also be available to your community. Likewise, any curtailment or elimination of programs would apply to Salisbury.

The cost to Salisbury for the annual contracted service is based on a per capita amount. The population of Salisbury as stated by the N.H. Municipal Association for 1971 is 588 — a decrease of 11 people from 1970. Salisbury town grant per capita cost would be \$670.32 plus a transportation fee of \$150.00. The total grant requested, then, is \$820.32.

In the event that Salisbury elects to renew this service contract for the coming year, it is understood that the third year of service to your town is a continuation, and the final year, for expanded area service of this agency under the pilot program. Briefly, this means, in relation to the Salisbury segment of services, that the Board agrees to pay any deficit from this program from the savings account of the Agency. After 1972, the program in Salisbury will be incorporated in our regular program if continuation is requested.

We are happy to serve your citizens. Our affiliation with Salisbury has been meaningful and certainly most rewarding. We look forward to continued support and greater expansion and coverage in 1972.

Respectfully submitted,

Evelyn Cole, R. N.
